## Treadwell Parents:

School will be open this week for a limited time so that you may retrieve medicine or items your students may have left in the office or in their classrooms. Please remember, this time is to allow you to collect items quickly so that you are not in the building for an extended amount of time. This is not a time for parent/teacher conferences; however, should you need time for extended conversation, we ask that you arrange to speak with your teachers by phone.

Our schedule is as follows:

## TUESDAY

With the exception of Kindergarten and 5<sup>th</sup> grade who will take part in the drive-thru celebration, we ask that students not come to school with you as you come to pick up items. Safety must remain a priority during this time. Please bring masks and gloves for your protection. We will mark out areas to ensure a six-foot separation while waiting to enter the building.

Lastly, if you are unable to come to school during your scheduled time above, please reach out to your child's teacher so that they can work with me to make additional arrangements for you.

*Go for broke! — ¡Arriesgalo todo!*
