

IMPORTANT MESSAGE FROM P.I.E.

DATE

5/4/2020

Greetings Treadwell Parents and Students:

Treadwell Partners in Education would like to send you a warm hello and offer our support in the middle of these difficult times.

Teacher Appreciation Week is approaching, and we would like to let our teachers know how very grateful we are for them and how much we care about them. Since we are not able to honor them in our usual way, we are planning a new project in which we would like the students to submit a video of 1 minute or less with their message of gratitude for all that they mean to them. Feel free to include any highlights or memories from this year. Pictures of artwork or handwritten notes can be included. These videos will be compiled and sent to the teachers.

Please send all videos, pictures, or notes to Treadwellparentorganization@gmail.com. **Include your child's name, grade, and teacher's name.** Also, a video may be sent via text to the email address above by typing in the email in the contact section of the message.

If you want to include a video to our wonderful other teachers, please do that as well! (Art, PE, Computer, Music, Library, ESL, and CLUE teachers)

We know we can count on your support and want to say thank you in advance!

Sincerely,

Treadwell Elementary Partners in Education
